DIY Christmas presents

You will need:

A jar
Green m&ms
Ribbon
Buttons
Glue

First you fill the jar with the m&ms.

Then glue the buttons down the middle of the jar like a coat.

Next get the ribbon and tie it around the lid of the jar!

You have now made an chocolate jar. The best present for an elf.

Christmas

Christmas is a time to be happy.

Remember Jesus' birth.

Away in a manger.

Ding dong merrily on high.

Cracking Christmas dinner.

Pigs in blankets

Little lord Jesus

MERRY CHRISTMAS

EVERYBODY

Preparing for Christmas

1. Put your Christmas tree up.
2. Get the presents for other people.

Warning

We have been told that we are going to have a cold winter. So here are some good ways to be prepared:

- Clear the wardrobe and fill it with winter clothes.
- Get the sleighs out.
- Always have a hood on your coat.
- If you do get wet, dry yourself quickly so you don't get a cold.
- Go get some coal for the fire to be warm.
- Always BE PREPARED!

Merry Christmas and a happy new year

Are you excited for christmas but you feel like it is dragging on forever. I know what you can do come on the school newspaper and read the terrible fright full of fright scares and laughs You won't regret it ,it won't take that long to read and when you are finished it will be christmas the next day.Make sure you tell your friends about the terrible fright and share the good news!
