'BELIEVE, ACHIEVE, SERVE'

Dear Parent/Carer,

During the summer holiday I will be going into hospital for a heart operation. This is because of a long standing problem, which I have been advised needs to be put right. I will still be recovering when the new school year starts in September and for some time into the autumn term.

Every effort has been made in school to make sure that this causes minimum disruption to the running of the school.

In my absence Mrs Chai will be acting Head Teacher. I have every confidence in her to do a great job. I am sure the same goes for all of you and that she can count on your full support.

Yours sincerely
