'BELIEVE, ACHIEVE, SERVE'

Dear Parent/Carer

We have had a great start to the 2nd part of the Spring term. Aren't you noticing how the nights and mornings are getting lighter?

Before half term Year 4 Led a Candlemass service in Church and for the school. Both services were very moving and enjoyed by parents and pupils alike. Thank-you to all concerned who made this a success.

We are inviting you to a coffee afternoon in the school hall Friday 2nd March at 2:00 pm. We would like to share with you some of our ideas about how we are developing as a nurturing school and some of the practices we are doing and beginning to introduce. Please join us. It promises to be a very interesting afternoon...and there may be a cake or two on offer as well.

Remember it is film night for years 3, 4, 5 and 6 this coming Tuesday. It finishes at 5:00pm.

Our Year 6 have been to Robinwood this week on their Residential. They have had lots of adventures and have come back safe and sound.

Year 1 footballers had a good time on Monday afternoon and played very well at the EFC Festival.

Year 5 enjoyed an Athletics afternoon this week and had lots of fun.

Dear Children,

Welcome back after the half term holiday everybody. We have some congratulations to give to Michael in Year 5 who won a Gold medal for being the best in North Wales in the blue belt category in Tae-Kwon-Do. We are so proud of you! He is also multi-lingual and can count to 10 in Korean. Michael, we didn't realise you had such talents.

I visited 2R this week to see how they are "buzzing with their writing" (Mrs Pritchard's words). They were writing about the Dragon Machine and I have to say I witnessed some exciting and varied sentence structures, a wide range of punctuation and beautiful presentation. Well done children.

I also had a treat on Tuesday afternoon when Jess, Isaac and Nat from 4R brought in cakes they had made independently. They were delicious. Thank-you so much.

Class 4R were busy making dragons and decorating them. They told me the story of the animal race and how we get the names of the years on a Chinese calendar. Did you know that it is the year of the dog?

Chris Chai
(Assistant Head Teacher)

REMINDERS

- Please do not bring dogs onto the playground at any time. We thank you for your co-operation in this matter.
- Thank-you for keeping the youngsters off the playground equipment at the end of the day. It really can be tricky to stay safe, as the children are coming out of school, if other children are in that area.
- Parents and carers have no entitlement to take holidays during term time. I can only approve these in exceptional circumstances. Applications should include a written description of the circumstances. Being taken out of school at any time is an obstacle to children making progress and should be avoided.
- Please do not park on or stop at the yellow zig-zags during the times stated on the road side sign. It is both dangerous and irresponsible.
- Remember to use the voluntary one way system in the mornings and at the end of the day.
